

New Notice

School Space: Ocean Reef Senior High School

## One mode of delivery for all students at Ocean Reef

Created by Louise Organ

Thursday, 9 April 2020 @2:32PM

In accordance with the Director General's instructions for Term 2:

- All public schools will remain open.
- Parents are encouraged to keep their children at home.
- Those who need to send their children to school to maintain employment, children of essential workers and those who require schools to support them overcome particular vulnerabilities, however, may choose to do so.

To ensure all students' needs are met, there will be one mode of delivery. The students at school will have exactly the same access to resources as students learning at home, e.g. a computer, Connect, Webex, printed work packages (if required) and Student Services support.

For consistency, teachers will communicate and provide learning support with students at home and at school in the same way.

Thank you for your continued support, over what has been a very challenging time for our school and our families.

Take care over the Easter and holiday break.

Karon Brookes

Principal
