

New Notice

School Space: Ocean Reef Senior High School

Student Learning at Home

Created by Louise Organ

Tuesday, 31 March 2020 @2:37PM

Good afternoon

The majority of our students are now at home, social distancing, as per the State Government's request. We continue to support families in our school community who need to send their children to school.

Students can continue to access their Term 1 course outlines through Connect. Whilst some resources may be available online in Connect and/or OneNote, the State Government has announced that schools are not expected to provide work for students who are not in attendance for the balance of Term 1. The Department of Education has significantly increased resources for the public website (for Learning from Home resources) <https://www.education.wa.edu.au/learning-at-home>

Teachers are working to prepare teaching programs and develop online resources for Term 2. Please ensure that you and your child can access Connect. Please contact the front office for assistance, if needed.

Thank you for your continued support.

Regards

Leah Crawford

Associate Principal
