School Space: Ocean Reef Senior High School

COVID-19 Update

Created by Louise Organ

Friday, 13 March 2020 @2:09PM

Dear Parents and Carers

During this concerning time the safety and wellbeing of students and staff at the school is our primary concern.

I want to assure families that the school is acting on the advice of the Department of Education and the WA Health Department. We will continue to be guided by advice from both the Department of Education and the WA Health Department and will forward any future updates to parents as we receive them.

Cleaning and sanitising procedures is a concern for everyone. I want to assure parents that all bathrooms in the school have supplies of soap and paper towels and/or hand dryers. Our cleaners have always and are continuing to clean, refill and sanitise bathrooms twice a day following recess and lunch breaks. Classroom student and teacher desks continue to be cleaned daily with an anti-bacterial product. Effective hand washing instructions have been placed in all bathrooms/toilets, as a reminder to all students of the importance in washing their hands correctly. As of Monday 16 March all classrooms will have a supply of tissues/wipes available to students.

I encourage parents to follow the advice provided by the WA Department of Health. A community helpline has been set up on 1800 020 080.

Finally, I encourage parents to consider keeping your child home from school if they are feeling unwell. It is critical we do everything we can to keep our community as healthy as possible.

We are working through this together. Please do not hesitate to contact the school to discuss your concerns.

Your sincerely

Karon Brookes

Principal
