### DANCE

Students will require an electronic device that can store and play music.

### DESIGN TECHNOLOGIES - MATERIALS

As part of the Technology course all students will be required to use power tools and there is a legal requirement to wear appropriate safety glasses (Safety Standard:AS/NZS 1337.1). The school has a stock of glasses within the room which can be used by students; these glasses are replaced yearly and so are not always in 'showroom condition' so it is advisable to purchase a personal pair which can be found on the Personal Items for Student Use list.
